

Sacred Places & Safe Spaces

★ Second Presbyterian Church 2021 - 2023 Capital Campaign ★

Building on a Solid Foundation

Second Presbyterian Church - our Sacred Place - has been the cornerstone of the South Loop Community since 1874. Not since a fire necessitated that we renovate the building in 1901 have we undertaken such a massive, basic, update to our building. It's time to update again.

There is Much to Be Done

The following is the work we plan to undertake within the Church of Angels:

- ★ Replace and repair the electrical, HVAC and plumbing systems for safety, code compliance and operational efficiency
- ★ Replace South entrance steps with a permanent, ADA compliant and architecturally appropriate ramp to make our entryway accessible to all
- ★ Reconfigure new offices and meeting rooms on the second and third floors; plus reconfigure and modernize our current spaces on the first floor
- ★ Reconfigure and redecorate Fellowship Hall, the North Parlor, and Barbara's Basement resale shop
- ★ Repair and repaint walls throughout the church

Replace,
Repair,
Reconfigure,
Repaint

## There Are Many Who Will Help

We have estimated that the work will cost \$1.25 million and take three years to complete.

Here's the good news:

Second Presbyterian Church, also known as the Church of Angels, has been awarded a \$250,000 grant by the National Fund for Sacred Places. This means we have a substantial head start in meeting our fundraising goals. Therefore, we need to raise \$1.0 million in the next three years to satisfy our need to fund the \$1.25 million worth of projects.

We have the support of the National Fund for Sacred Places; we need your support too. Please be an Angel to us and make your pledge to our Capital Campaign today. It's time to upgrade.

## Work Began in the Spring of 2021

Work has begun on repairing, replacing and reconfiguring our mechanical, electrical and plumbing systems, and in providing modern, accessibility and safe spaces in our church buildings. We need your help to reach our fundraising goal. Please help us continue to serve the South Loop Community by giving to our Sacred Places and Safe Spaces Capital Campaign today.

Crumbled plumbing throughout building will be replaced

## Your Support Now Will Transform the Lives of Others for Years to Come

Your support means so much. By supporting our Capital Campaign, you'll be supporting more than just our church building; you'll be supporting the many mission critical ministries we provide as a neighborhood church to our community. Your support now will provide a safe, attractive, functional and desirable space for a variety of services and for all the people in our community who we serve.

Are you with us? Will you be an Angel to the Church of Angels? Please donate today.

Your support and donation are most appreciated and will help transform lives.
